The Board answered questions about the new affidavit and secure and verifiable document requirements. This is a new requirement put in place by state legislators and not by the Board. The Board is only complying with the law, but licensees are required to submit a completed affidavit of citizenship form and a secure and verifiable document at the time of renewal. This is a one-time occurrence unless there is a change in the law. The Board also answered questions regarding individuals wanting to endorse into Georgia from South Carolina. The Board explained the licensure differences and what Georgia requires in order to endorse into Georgia.
